2014 Autumn Program of Guided Walks

This autumn, fotpin is holding three guided walks that highlight the beauty and history of the Pinnacle Nature Reserve

- **Birds at Home**

Sunday 6 April, 9 am to 11 am

John Brannan will lead a stroll around the avian hotspots of the reserve, observing the local birds and the species that migrate through the reserve every autumn.

Meet at the Dungowan St entrance, Hawker.

- **Aboriginal Heritage Walk**

Sunday 27 April, 10 am to 12 pm

Fotpin is pleased and privileged to welcome Wally and Tyronne Bell of the Ngunawal people, who will share their wealth of traditional knowledge and expertise. This walk offers a unique opportunity to see the reserve through the eyes of the traditional landowners and to gain a deeper insight into its pre-settlement history and use. Definitely not to be missed! You can find out about Wally and Tyronne by visiting their website:
