2015 Autumn Program of Activities

This autumn, fotpin is holding two guided walks and small planting event

● **Birds on the Move**

Sunday 19 April, 9 am to 11 am

John Brannan will lead a stroll around the reserve, observing the local birds and the species that migrate through the reserve every autumn. Meet at the Dungowan St entrance, Hawker.

● **Planting morning**

Sunday 26 April, 9 am to 12 pm

As part of fotpin's ongoing program to enhance the existing plantings at the reserve, we are planning a small planting of shrublayer and groundcover species along the Valley track. Everyone welcome. No experience required, just your gardening gloves and a bucket. Meet at the De Salis St entrance, Weetangera.

All welcome. Please wear clothing suitable for the weather, sturdy footwear and hat. Bring water and a camera and binoculars if you wish.

Contact **John** on 0405 331 405 or at coordinator@fotpin.org.au for more information

● **ParkCare at the Pinnacle - Achievements & Challenges**

Sunday May 17, 9 am to 11.30 am *Please RSVP for this walk

Join fotpin's resident webmeister and record keeper Warren Bond as he points out the many changes at the reserve since the tree plantings and other work in the 1990s by fotpin's predecessor, the Pinnacle Environment Group. This walk will visit vantage points where photos were taken in 1991 to observe the impacts of that early work. We'll also visit recent plantings at the Reserve to assess their progress and explain the thinking behind them. We'll look at ongoing issues with weeds, including areas where we've made progress, and also look at erosion and some of the other challenges we currently face. Meet at the De Salis St entrance, Weetangera.
