friends of the pinnacle 2012 Autumn Program of Guided Walks

SATURDAY 17 MARCH – 2pm (2 hours app)

Third Saturday Walk with Rosemary Blemings. Share in both the finding of plant and animal species and the interpretation of sightings, habitats and views! Meet at the Dungowan St entrance

SATURDAY 24 MARCH - 9am (2-3 hours app)

Autumn Birds and Woodland Connections with John Brannan Autumn is a time for movement and dispersal in the bird world. Take a few hours to stroll through the woodlands of the reserve and see which birds are still here and which are stopping over on their way north or east. Bring binoculars. Meet at the Dungowan St entrance

SUNDAY 15 APRIL - 9am (2 hours app)

Down the Creek with David Tongway

We will inspect erosion gullies, discuss soil erosion properties, and explore how small, early actions can prevent bigger problems. A hand-out will be provided. Meet at the Springvale Drive entrance

SATURDAY 21 APRIL - 9am (2 hours app)

Third Saturday Walk with Rosemary Blemings. Meet at the Springvale Drive entrance

SUNDAY 6 MAY - (6 hours app)

Down to the River- and Beyond with Pax

River levels permitting, we will cross the Valley to the Uriarra Travelling Stock Route and take in magnificent views of the Murrumbidgee Valley. **Difficulty level high. Bookings essential. paxc@optusnet.com.au**

SATURDAY 12 MAY – 9am (2 hours app)

All walks: Wear suitable clothing for the weather and stout shoes or hiking boots. Bring hats and sunscreen, snacks and drinks, binoculars and cameras if you wish.

All welcome

fotpin.org.au

Grass Experiment Walk with Don Driscoll

We will venture down to the Bottom Pinnacle, to visit two of our grass experiment sites. Don will explain the experiment, talk about some of the preliminary results, and teach small children the actions that go with some of our native grasses. Meet at the Springvale Drive entrance
